

In October 2018 Avance Care partnered with Dr. Bhavna Vaidya to open Avance Primary Care Clayton.

AVANCE CARE CLAYTON BY THE NUMBERS

4

Number of **new PCPs** recruited, credentialed and trained within **first four months** of partnership

2

of **specialty service providers** staffed on-site to support PCPs – (1 LCSW and 1 RD)

84%

Net Promoter Score after 6 months, an **increase from 50%** in the first month of partnership

90%

of A/R collected within 30 days as a result of Avance's **in-house billing**

0

of **minutes spent** on payroll, IT, billing, or PCMH

152%

increase in # of patients seen from the 1st to the 6th month of operations

Avance Care operates a network of clinically integrated primary care practices in the Triangle area of North Carolina. Our sophisticated information technology systems and highly developed workflow processes and procedures have enabled us to generate industry-leading patient satisfaction ratings, quality of care, and efficiencies for our practices.

Avance Care supports **independent primary care**. Our model allows physicians to maintain **autonomy** and **ownership**, while **simplifying** how you deliver care to **your patients**.

A partnership with Avance offers:

- Work/life balance for owners and employed providers – our PCPs average 2 patients/hour or less and less than 10% of time spent on admin tasks
- Increased total earnings – benefit from great reimbursement, growth of practice, and efficient operations
- Maintenance of current patient relationships
- Proprietary systems enabling efficient operations – grow your practice leveraging Avance's expertise and support
- The benefit of a shifting reimbursement system – earn additional revenue/compensation from quality-based payer contracts
- Ability to continue to build equity in your practice
- Retention of current staff and recruitment support for growth

- 83% Net Promoter Score
- Best of the Triangle 2018
- Google Reviews: 14 of 15 locations rated above ★★★★★
- PCMH 2017 Transformation
- PCMH Level III
- AADE Accredited Diabetes Education Program
